Hi Ken & Lisa -

The package in eWorks was created on 10/6/16 (#6317599). The date released to the yard shows it at 10/7/16. Everything has been approved and the last I heard was that they were waiting for signs to be manufactured as it's a very popular restriction and we're always running short.

Felix

Dear Ken:

I cannot express what a difference it has made having the Oversized Vehicle Restrictions posted in accordance with the above referenced council file. However it appears not all of the street segments have been posted to date:

Willoughby Avenue between Vine and Cole – HAS NOT BEEN POSTED ON BOTH SIDES OF THE STREET

At your earliest opportunity can you please let me know the status of these signs?

Thank you,
